Topics

VIP – Vision Inspiration and life purpose

This presentation is a true inspiration and a wake up call where complacency and comfort have taken the place of drive and inspiration. An accute reminder of the essential ingredients of personal satizfaction, the joy of living of purpose, the motivation of following a dream and the ingredients that make people combine in a magical way to produce winning and caring results. A powerful, straight from the hip presentation by a down to earth, great sense of humor presenter with style.

101 health giving, vitality boosting, life changing, business growing ideas

101 health giving, vitality boosting, life changing, business growing ideas that you can implement within a week. Sound unbelievable, try this. How long is your neck right now, is your head heavy? try stretching your neck just by straightening your back. HmMMM just one. Chris's mastery extends into Yoga, tai chi and instantaneous personal magnetism, he'll have people out of their chairs and the changes are permanent. A culture of human potential means peope looking after themselves in a way that supports their goals. Did you know that tapping your finger on the deslk is a means of disipating excess energy? How much of your ebnergy is spent thinking and what proportion of that is helpful, want to increase this productive relaxed thinking process, you will.

Consciousness – Positive Personal Change through Higher Consciousness

It's the most powerful insight into the human condition available today and is the core of Chris's unique work in change. His consultants throughout the world work with Indigenous communities, Corporate Change, Organizational Change, Youth Suicide and human development. Chris's work includes some of the worlds best known sports personalities, movie stars, rock legends and more. Hear the stories, understand the insight, see the possibilities for change, personal and global.

Corporate Keynote Presentations

Develop Personal and Life Mastery

Stay Focused be more present. Do what you Love. Inspire others. This program answers questions, provides a reality check and aims to improve quality of life. You'll develop more certainty, personal balance and vision. Three core ingredients of all great leaders Wisdom, power and Vision. Over 4000 individuals have developed their dreams through this program over the past 5 years. The results speak for themselves. Working better, a clearer direction, peace of mind, a reality check, strategies implemented and a vision to live by.

A set of business principles based on Natural Law

These universal principles delve deep and beyond to find the foundation from which an individual can build certainty, confidence and personal presence and cope with radical continual change.

The psychology of success.

How to stay balanced, make better decisions and reduce stress. Introducing a technology to instantly balance the human mind. This is a revolutionary process that can center a person in seconds and has been declared as one of most powerful discoveries in human psychology this century.

Making it happen and Manifesting outcomes.

Maximum performance in any organization or individual is at the border of Chaos and order. The outcomes reflect the quality of the incomes. Managing change is an essential part of building good business.

Personal Development Program --PDP

We live in revolutionary times and our lives are being altered in ways we cannot predict. Every major institution is being transformed. Our most deeply held values are in dispute and the nature of personal relationships is changing drastically. So anyone who wants to generate meaningful responses to the events of the times must become a change agent.

Growth

When there is a need for growth, when there is urgency and a commitment to a new and inspirational paradigm in your personal or professional life, then 'Innerwealth' work is truly one of the best there is. Offering retreats, seminars, keynotes and workshops that create a place and time when truth and honesty will radiate as brightly as the midnight moon. Where a sacred space sets the scene for self-reflection and a return to center.
