Organizational Change Program

Individual Responsibility

A business is only as strong as it's people. This program is designed to improve communication in and out of the office. We are dedicated helping people develop more conscious self and other management practice. This will, in turn, create a mature working environment. The result is improved people skills, a more mature business focus and healthy lifestyle management tools.

- Certainty and inspiration
- Clearer vision of the future.
- Align change and challenges towards vision
- Increased ability to manage time more productively
- Increased ability to manage thought and ideas
- Deeper awareness
- Increased wealth, success and abundance
- Increased motivation
- Increases action and decreases reaction
- Adds direction and purpose to life.
- Become an Inspiration to yourself and to others

Content and Outcomes

Self Awareness and personal effectiveness are fundamental to being a successful leader. By dedicating time to self-discovery you and your team are affirming a positive future. Your group will cover topics such as health, personal balance, management and leadership, communication and vision. We focus on improved self and other awareness and therefore personal and company success. Improved communication, leadership, health, self awareness and personal effectiveness.

Organizational Change Program

What Others Say

We left having learned more about ourselves and feeling empowered to achieve more.

Madelaine Fairweather Creative Director CWFS McCann. International

What a pleasure. All of our expectations were not only met but surpassed.

Yours in Perfect Balance

Jan Tracey. Managing Director CIM Australia

The presentation in Mexico was of such value to us that we felt compelled to invite Chris to Halifax Nova Scotia to present his work. Thank You.

People Development Sharon Horne. Canada

We have all gained something to help us personally and professionally. Thank you

Anne Maree Huxley. General Manager Pritchard Marketing

"Thank you for ... the list is endless. To be in a place of certainty, to know the perfection - in a profound experience. I am a mobile phone and Breakthrough is my battery charger.

David, Lawyer

About Christopher Walker

Christopher Walker is about Change.

Fast, clear and focussed change. The sort of change you need when you want to improve the quality of your life, grow your business, develop and better home life or in any way inspire more spirit and vision in your life. His interest is to help you open your heart and then follow it, relentlessly. It means cutting through belief systems, exploring options and finding your truth in personal, business, relationship and health.

Consultant, speaker, inspirational writer and CEO of Innerwealth Technologies, Chris brings to his work a unique blend of business experience, personal mastery and heart felt inspiration.

After graduating from Engineering in 1976, Chris worked throughout Asia building 5 of his own successful business's. At the age of 34 Chris returned to university to complete an MBA. He committed himself to build an international organization that helped individuals and their business's achieve thier vision, inspiration and purpose.

Since 1985, Chris Walker has worked as a change consultant with over 3500 entrepreneurs and their business's world wide. Chris is currently working with Corporations throughout North America, Indigenous Communities in Canada and the United Nations. He addresses audiences throughout the world helping to create a more more balanced, visionary and spiritually aware lifestyle. He believes for success you first need to create deep personal awareness, and this happens when your body and mind are aligned with purpose.

Chris builds from a unique blend of his 15 years as a successful business entrepreneur, academic framework and his experiences studying personal mastery with Indian, Himalayan, Japanese and North American masters. His methods are dynamic, and direct. His work is gifted and inspirational.
