## Real Spirit - A Real Breakthrough Experience

A master in the art of Living  
Draws no sharp distinction  
Between their work and their play,  
Their labour and their leisure,  
Their mind and their body  
Their education and their recreation.  
They hardly know which is which.  
They simple pursue  
Their vision of excellence  
Through whatever they are doing  
And leaves others to determine  
Whether they are working or playing.  
To themselves, it always seems to be  
That they are doing both.
